

How do I get started with the Mobile App?

Once you've downloaded the app, find the Lightning Bolt icon on your phone and tap it to open the app up.

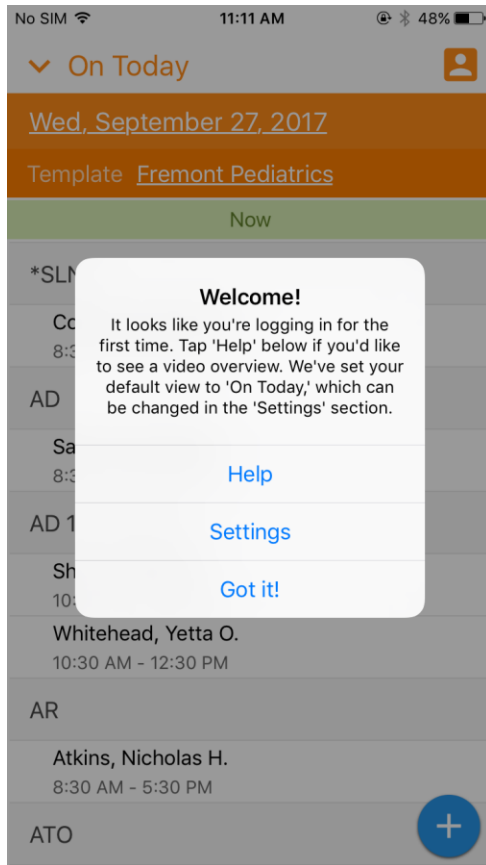

Enter your Lightning Bolt username and password, and tap **Login**.

*Tip: If your entire enterprise uses Lightning Bolt, tap **Enterprise Login** instead to log in.*

Tip: If you've forgotten your Lightning Bolt username or password, open up your browser and navigate to the [standard login page](#), and use the links there to recover your password or username.

When you log into the app for the first time, you'll see the following pop-up:

We recommend tapping **Help** to access a quick video overview of the app. You can also directly access the videos here:

[iPhone](#)
[Android](#)

Otherwise, just tap **Got it!** and you'll be taken to the schedule.
